Due to constant changes in airfares we have removed all our first night rate packages, close encounter & triangle packages. Aitutaki & Outer Islands accommodation rates are now shown as nightly rates only. This allows for greater flexibility in building your own unique package.

- HOW TO BUILD YOUR OWN P
- 1) Choose your accommodation using its nightly rate
  - 2) Add the airfare of your choice
  - 3) Add Rarotonga return domestic transfers
  - 4) Add Outer island return airport transfers (if applicable)
