---

### **BOOKINGS:**

Booking requests can be made through **KERNHEM Group (NZ)**. All prices are based on payment by direct credit or cash. Bookings are subject to availability of flights, accommodation and transfers at the time of booking request. All verbal and written quotes are subject to change until final confirmation of the booking is made in writing.

### **DEPOSITS AND BALANCE OF PAYMENTS:**

A minimum non-refundable deposit of USD 100 per adult passenger is required for all booking requests to be made. Some suppliers require additional higher deposits to confirm a booking. Certain airfares require immediate payment and our consultant will explain this at time of booking. All balances of payment are due 60 days prior to departure or earlier as advised by your consultant. If no payment or notification has been received by the due dates, it will be automatically assumed that the booking is to be cancelled. If the booking is made 60 days or less prior to departure, full payment is required immediately.

### **CANCELLATIONS:**

All cancellations, no shows or terminations of travel arrangements will incur cancellation fees. Once your airline ticket is issued, cancellation fees of usually up to 50%, but often 100% of the airfare can apply depending on the conditions that apply to the airfare you purchased. In addition to any airfare fee, cancellations more than 60 days prior to departure will attract a minimum fee of \$100 per passenger plus any fees levied by providers of services in your package. For cancellations 60 or less days prior to departure a minimum **KERNHEM Group (NZ)** administration fee of USD 250 per passenger applies plus up to 100% of the land content plus any fee charged by the airline/s or any other carrier or supplier or service provider.

### **INSURANCE:**

We strongly recommend Travel Agents to ensure clients have a suitable travel insurance policy at the time of booking which will, under certain circumstances and subject to policy conditions, cover such things as cancellation fees, baggage, personal liability and accident and medical cover. We will not be responsible for a client's failure to purchase Travel Insurance or be inadequately covered.

## TRAVEL DOCUMENTS:

All travelers should be aware of any health or visa requirements for the countries that they are traveling to. It is the responsibility of all members of the traveling party to obtain a valid passport and any necessary visas and vaccination documents for your holiday. We will not be responsible for any loss or expense due to failure of clients to obtain any necessary travel documents.

Please ensure that you have a minimum of 6 months validity left in your passport upon your planned arrival back into Russia. Most international borders insist this as a pre-requisite before entry into their country will be permitted.

All passengers travelling on Russian passport require entry visas to travel throughout New Zealand, Australia and some of Oceania countries.

## BAGGAGE:

Generally there is a 20 kilogram (44lb) free baggage allowance for economy class international air travel. Payment of any excess baggage charges is the passenger's sole responsibility. You can however request to have this built into your airfare/package quote.

## AMENDMENT TO PRICES AND ITINERARY:

Amendments requested by you to a confirmed itinerary more than 60 days prior to departure may incur an amendment administration fee that will be a maximum of USD50 per person per amendment plus any fees levied by providers of services in your package. For amendments 60 or less days prior to departure a maximum fee of USD100 per person applies plus any amendment fees charged by the airline/s or any other carrier or any supplier or service provider. If we have to amend all or part of a booking for reasons that were unforeseen and not of our doing we reserve the right to adjust prices as necessary at any time. This would only occur due to factors which are outside our control and including such things as airline schedule changes, airfare increases, increases due to currency fluctuations, hotel price increases, or any other increases that are part of the package price. If such changes in itinerary and prices did not suit, you would have the right to ask for re-arrangement of your itinerary or cancel services completely. In the event of cancellation, only monies left, after all supplier and other cancellation fees including KERNHEM Group (NZ)'s have been deducted, may be refunded.

## LAW OF CONTRACT:

Any contracts and any legal action arising are governed in all respects by the law of New Zealand.
